**SHOW YOUR HOME SOME *Love***

- 1 Give it a gift.** A colorful bouquet of flowers, a fragrant candle, or a new piece of artwork can completely transform a space making it more cheerful and comfy.
- 2 Give it a spa day.** A deep cleaning, of either the entire house or just one area, will do wonders for the overall look and feel of your home. Try cleaning out the fridge, wiping down the baseboards, dusting the ceiling fan, or organizing the hall closet.
- 3 Give it a facelift.** It doesn't need to be a complete makeover, but something as simple as rearranging the furniture, or repainting a room, can give your home a whole new look.
- 4 Throw it a party.** Homes are built for creating memories and nothing makes a happy home like a room full of friends and family enjoying each other's company. Host a game night, a movie marathon or a fondue dinner.
